建造業安全周

發展局和建造業議會自2012年起合辦「建造業安全周」,推廣「地盤零意外,關懷建未來」的信息。活動獲得多個專業團體、機構、商會和工會的支持。從最近由第三者向業界進行的獨立問卷調查顯示,九成受訪者認同活動有助推廣工地安全文化,並加強他們對建造業安全的關注,提升安全表現。展望將來,我們希望業界從業員能繼續攜手合作,一同為實現『地盤零意外』的願景出一分力。

Construction Safety Week

Construction Safety Week has been organised since 2012 to promote an accident-free site environment and a caring atmosphere in the construction industry. The campaign has received support from various professional groups, organisations, trade associations and labour unions. Based on an independent survey conducted with industry practitioners recently, 90% of the respondents said Construction Safety Week helped promote safety culture, raise their safety awareness as well as improve their safety behaviour. Through continuous efforts we hope to further unite industry practitioners and reach the goal of zero accidents.
